# ULTIMATE IN QUALITY

For over forty years now, we have been at the top of our profession, motivated by our quest for the ultimate quality. Being perfectionnists, second best has never been good enough for us, we have therefore created an integrated production system where all the stages of our work are carried out on premises and undergo a strict quality control at each phase up the delivery of the finished product. Our constant search for ultimate quality has become our corporate culture because...

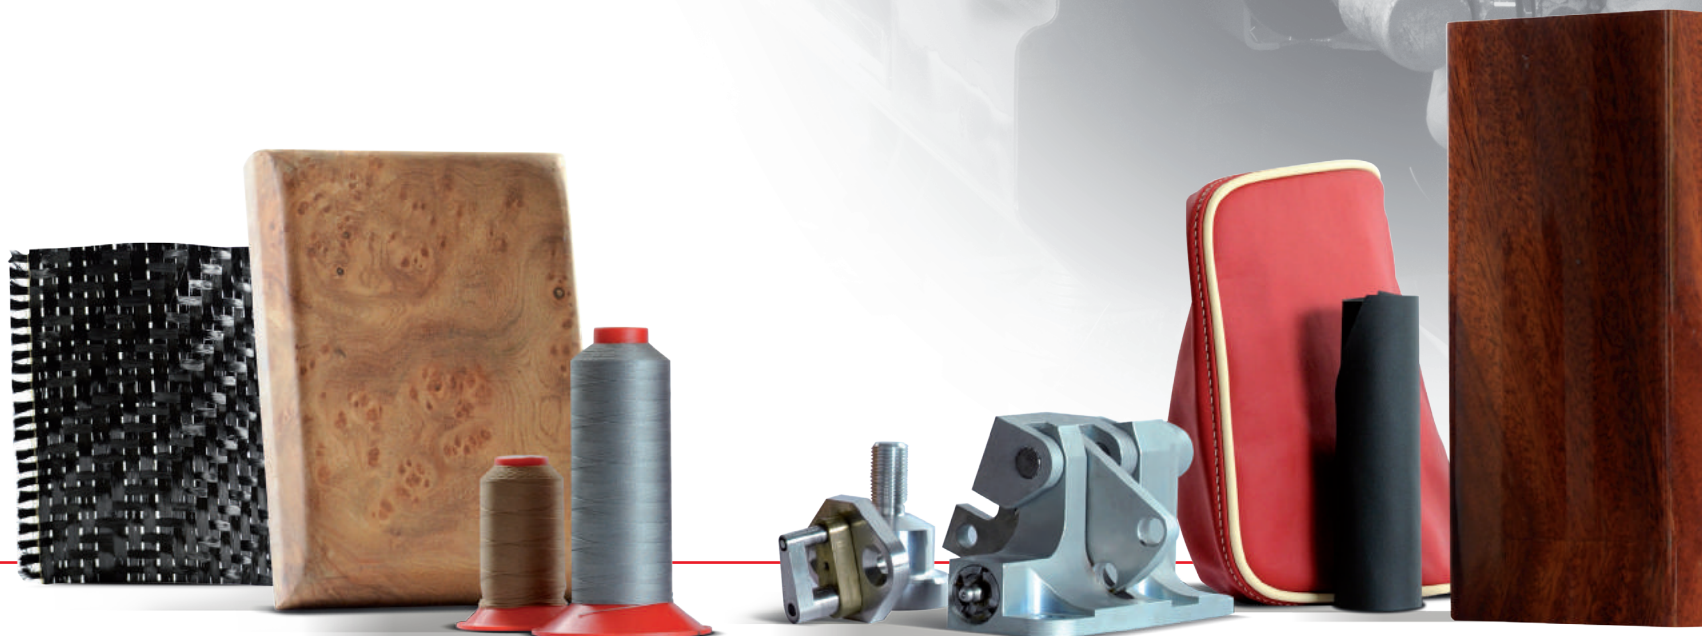

BECAUSE YOU ARE THE UNIQUE  
AND YOU DESERVE THE BEST.

# KNOW-HOW FOR EXCELLENCE

Pour ce faire, elle regroupe en son sein pas moins de 13 métiers différents qui s'unissent pour vous fournir le meilleur en termes de qualité et de précision. L'entreprise met l'accent sur la finition à la main, pour atteindre le niveau d'excellence qu'elle se fixe CARAT DUCHATELET recourt à l'utilisation de matériaux de prestige.
